Credit Card Guide

DEMONSTRATION DATA - NOT AN OFFICIAL BANK POLICY
For training and portfolio use only. Replace with approved bank documents before use.

Basic requirements may include identity proof, address proof, income information, and a completed application. The bank evaluates each request using its current criteria.

Pay at least the amount due by the payment due date shown on your statement. Applicable charges, interest, and payment terms are those in the current card agreement and statement.

Protect your card and credentials. Never share a one-time passcode, PIN, password, or full card details. Contact the bank using its official channels if you notice an unrecognized transaction.
