Debit Card Safety and Service Guide

DEMONSTRATION DATA - NOT AN OFFICIAL BANK POLICY
For training and portfolio use only. Replace with approved bank documents before use.

To block a lost or stolen debit card, use the bank’s official mobile or online banking channel, call the number printed on the bank’s official website, or visit a branch. Do not use contact details from an unsolicited message.

After blocking a card, ask the bank about replacement steps and any applicable fee. Replacement timing and charges depend on the current bank policy.

Never share your PIN, password, one-time passcode, or full card details. Contact the bank promptly through an official channel if you suspect unauthorized use.
